

## Expediting your shipments through Customs

Rely on PBB's expert team of licensed brokers and strategic network of locations to fulfill your Customs needs. PBB provides the knowledge, resources and integrated services you require to ensure your goods are accurately classified, properly valued and expedited through Customs.

Whether your shipment is crossing one border or several, whether you are shipping within NAFTA or trading worldwide, PBB is your preferred Customs Broker.

## Why use PBB's Customs Brokerage Service?

- Strategic network of over 85 locations at key frontier points with 7/24/365 access.
- Extensive experience classifying goods, determining valuations, while minimizing tariffs and avoiding penalties.
- Fully compliant with all government importing and exporting security initiatives, including advance notification. PBB participates in both the C-TPAT and PIP programs.
- Information management facilitating EDI and e-business, with on-line access to Customs and procurement data.
- In-depth knowledge clearing complex and diverse shipments, including those governed by product-specific regulations.
- Fully integrated global logistics services, including International Freight Forwarding, North American Transportation, Warehousing & Distribution and Trade & Compliance Services.
