

## Integrated parcel solutions that grow your international markets

Direct merchandisers, catalogers and e-tailers reach new markets with PBB's Parcel Logistics solution - a seamless automated service allowing you to distribute your product to customers throughout North America. Rely on PBB to manage the complete delivery process, including consolidated shipping, customs clearance, delivery and returns of small packages. PBB's prompt and reliable service ensures customer satisfaction, promoting repeat business and increased sales.

## Why use PBB's Parcel Logistics?

- Turnkey parcel management solutions including package retrieval, preparation, transportation, customs clearance, overnight or extended delivery, tracking and tracing, and returns processing.
- Cost-effective service through parcel consolidation and high volume processing.
- Efficient paperless systems fully integrated into PBB's e-globallogistics.com™ Internet-based applications.
- Convenient access to new markets, making your international shipments, exchanges and returns as easy to manage as domestic packages.
- Zone-based pricing and ability to clear goods at multiple entry points, allowing for efficient cost management and tax strategies.
- Fully integrated global logistics services, including North American Shipping, Customs Brokerage and Warehousing & Distribution.

## Additional Benefits

- Access to PBB's strategic network of 70 offices at key frontier points along Canada-U.S. border, many with 7/24/365 access.
- Expert assistance with product classification and determination of landed cost, allowing you to build duties and taxes into price and eliminate COD charges at time of delivery.
- Full shipment visibility using on-line tracking and tracing systems, ensure excellent customer service.
- Proven expertise in customs rules and regulations, provincial laws and postal specifications - ensuring compliance and maximizing refunds and drawbacks.
- Detailed invoicing and reports, including daily electronic transmission of orders received and processed.
- Complete flexibility in working with your preferred vendors and partners.
